

Advantage Plus

Support when you need it most

Our service agreements aim to ensure your equipment is always working to its maximum.

Both service and maintenance costs covered in one package.

Advantage Plus gives you all the service benefits of our Advantage programme, plus additional peace of mind should the unexpected happen and a machine requires a maintenance visit.*

The contract is based on the number of visits per annum – each visit includes full machinery safety inspection. Lubrication service is based on the machine run hours.

Relax safe in the knowledge that you're covered for any maintenance repairs subject to fair wear and tear, including parts and reduced rate labour and call out charges. With Advantage Plus you also benefit from same day technical response.

Same day response (calls logged before 10am).
Next day response (calls logged after 10am).

All the Advantages, plus...

You can also choose to boost your service and maintenance programme by selecting one of our **Added Advantage** packages.

Normal working hours are Monday to Friday 08:00 to 17:00 excluding Bank Holidays.

Monthly or annual payment schemes allow you to accurately budget your service and maintenance costs, with no nasty surprises...

Gain the Advantage

Added Advantage

1

4

Advantage 4

You choose. We can build a service and maintenance programme tailored to your exact requirements, allowing you to budget accurately and keep your equipment running to its full potential.*

HAKO MACHINES LIMITED - MAINTENANCE CONTRACT AGREEMENT TERMS AND CONDITIONS

GENERAL

- All contracts irrespective of the initial agreed term shall be subject to an annual performance review.
- The minimum contract term will apply, as stated in the contract document.
- Termination of any contract, must be made in writing giving no less than 60-days' notice (contract settlement figures may apply).
- All prices quoted under this agreement will be subject to VAT at the prevailing rate.
- Only items included in the contract document shall be covered, any additional items shall be chargeable in full to the customer.
- The contract is based on number of visit per annum, which is determined by the hours usage you, our customer, has advised. If predicted hours are not reached, this may lead to a reduction in service visits (but not in cost). However we will review your next annual contract to ensure it's efficient for your usage. If equipment undertakes more hours than predicted, this will result in additional service visits being required (chargeable) or in the case of Citymasters you will be charged per additional hour/mile. Please refer to individual contracts for full details including flexible review options.

We reserve the right to refuse warranty or contract attendance on equipment which we believe has been serviced or attended by an alternative supplier or non-Hako Engineer. To return to contract we will need to undertake a full one off service and potential replacement of any non OEM parts. This work is chargeable.

THE CUSTOMER

- The machine must be available for the scheduled visit, cleaned and in a suitable safe working area for the required work.
- The customer must supply official authorisation with an official purchase order number within 24-hours for any verbally authorised repairs as above.
- Provide sufficient access and egress to/from site.

HAKO MACHINES LTD (HML)

- Any damage or mis-use will be highlighted to the customer, prior to any works.
- Approval for any works outside of the contract inclusions will be sought prior to commencement of works.

CONTRACT INCLUSIONS

- Annual contract performance reviews
- Completed job sheets via email
- At request of the HML engineer, make available all records of any inspections/repairs.
- Access to Added Advantage Packages
- Maintenance of service records
- Routine servicing (as per the manufacturers recommendation).
- Labour for the above work.
- Parts and fluids for the above work.
- Technical support.
- Full manufacturer's inspection and safety check.
- Minor adjustments and fluid level checks.
- Preferential response times.
- Discounted call out rates.
- Discounted labour rates
- Discounted parts discounts.
- Annual PAT testing (where applicable)
- Travel to/from site.
- Parts shipment costs (included items only).
- Maintenance repairs, parts and labour (subject to fair wear and tear)
- Same day response (calls logged before 10am)
- Next day response (calls logged after 10am)
- Discounted rates on training packages
- Preferential rates on chemical purchases

CONTRACT EXCLUSIONS

- Routine maintenance is not available outside of the normal business hours or on Saturdays, Sundays or public bank holidays.
- Any consumables, parts and labour not stated in the contract document.
- Any ground contact items, batteries, chargers and associated leads (unless stated in the contract document).
- Any repairs due to mis-use or damage.
- Out of hours attendance.
- Roadside assistance and machine recovery.
- Breakdown repairs (unless stated in the contract document).
- Excess labour due to site induction, delayed entry to site or cancellation of work on arrival.
- Excess machine hours (where applicable an excess hour's charge may apply).
- Excess hours will be charged at the agreed rate, following the annual review.
